***With Christ as the centre of your life, you will never be disappointed. Pope Francis***

*Dear Parents and carers,*

*Welcome to issue 8 of the school newsletter; I hope you all had a wonderful Easter. It is lovely to see the children have all returned so smart and enthusiastic. As soon as the weather warms up, all the children will be expected to wear summer uniform. (no mixing winter and summer uniforms please).*

*The spring term was a busy one, with many exciting events and visits; please see the website for more information. A group of adventurous staff climbed the O2 in London, raising over £1000 for Breast Cancer Research.*

*The builders have worked hard over the Easter and are making good progress in order to finish the Learning Resource Centre by the end of the summer term. We have developed our Infant Courtyard garden and the chickens have now moved in to their coup; they laid three eggs on the second day! Mr Allen, will be starting a gardening club in the next few weeks; if you are keen on gardening and would like to be involved please contact the office. We are also looking for some volunteers to help varnish and paint the pavilion and benches in the playground.*

*Thank you once again for your continued support.*

*God Bless.*

*S M Johnson  
Headteacher*
