### Newsletter Issue 2 October 2017

*The Holy Rosary is a long chain that links Heaven and Earth. St Therese of Lisieux*

Dear Parents and carers,

Welcome to issue 2 of the school newsletter, I hope you find it interesting and informative. Several exciting events have taken place in school this month; particularly with cycling. Many classes have enjoyed Bikeability sessions and Learn to Ride sessions. We have recently received a grant which has enabled us to purchase 12 bikes for the children to use in a lunchtime club. Our brand new Learning Resource Centre was officially opened and blessed by Father Andrew, just before half term. I would like to thank all those concerned with the designing and building and to the children for being patient with the restricted space in the playground. The children will benefit hugely from such a stimulating learning environment. I will continue to give short guided tours to parents at the end of class assemblies on Thursday.

The Firework Display on Thursday 20th October was once again a fantastic success; it was well attended and thankfully the rain held. More information regarding the amount raised to follow. I would like to thank you all for your generous Harvest Festival donations which will be taken to Anchor House in Canning Town and the Ilford Food Bank; many deserving people will benefit from your support.

Please may I remind you that the Building Fund of £10 per term per family, is now due; please log on to Scopay to make a payment. We have only recently set this up, to fall inline with most schools across the Borough. As a Voluntary Aided School we pay 10% towards the cost of all building work, therefore we need donations from parents to support us with building projects. Thank you once again for your continued support.

God Bless

S M Johnson

## **BIG MACMILLAN COFFEE MORNING**

Thank you and well done to you all! The Macmillan coffee morning was a huge success, we raised a total of £435.23 which is absolutely amazing. You donated cakes, made cakes, ate cakes, spent your money and enjoyed the event. A big thank you also to Year 6 pupils who baked cakes for the sale and helped to sell them during the coffee morning and after school. Winner of 'Guess the height of the cake' competition was Mrs Khan.

Fr Andrew officially opens our new Learning Resource Centre.
