NEWSLETTER Issue 32

Week ending Friday 5th June 2020

UNICEF article of the month: Article 15

Every child has the right to meet with other children and young people and to join groups and organisations, as long as this does not stop other people from enjoying their rights.

Dear Parents and Carers,

I hope you and your families continue to keep safe and well. We now have all the pupil numbers confirmed for those children returning to school on Monday 15th June. As previously mentioned, the children will now be taught in cluster groups, or bubbles, based on the Government guidance. With a significant increase in pupil numbers it is very important that all children remember the social distancing rule. The children will remain in their cluster groups all day, with the same members of staff. The children will be attending four days per week, unless they are children from key worker families, where the availability is five days. If you are a key worker, I recently sent out a form to be completed to extend your place, please ensure this is returned as soon as possible or your child may be removed from the register. It is important you phone the school if your child is not coming in due to illness. Please read the following guidance very carefully to support your children in the return to school. Next week we have three induction days for the three different year groups in order to introduce the new protective measures in school, the new entry and exit points and the one way system around the school. If your child has been coming in as a key worker, they will not need to attend this induction day, they attend as normal.

Y6	Monday 8 th June	Y6 pupils for 1 day introduction to new measures 10-3pm One-way entry via the Junior gate (right side)
YR	Wednesday 10 th June	YR pupils 1 day introduction to new measures 9.30-2.45pm One-way entry via the infant gate(left side)
Y1	Friday 12 th June	Y1 pupils 1 day introduction to new measures 9.00-3.15pm One-way entry via the Infant gate (left side)

The week beginning the 15th June the children will return four days per week:

- Y6- Monday to Thursday 10.00-3.00pm
- Y1- Monday to Thursday 9.00-3.15pm
- YR-Tuesday to Thursday 9.30-2.45pm

I know your children will be excited to return to school and we are excited to have them back, however there are many changes at SSPP, in order to stop the spread of Covid-19. It is very important the children understand the following:

They should bring:

- A water bottle.
- Home learning pack in a plastic bag.
- School reading book.
- Wear school uniform but without a tie or blazer.

They should not bring:

- A school bag
- Pencil cases
- Mobile phones
- PE kit
- Coat (unless the weather is bad).

Please remind your child of the 2m Social distancing rule and why it is necessary.

Your child's school report was sent out by post today; you should receive it in the next few days. The teachers have reported on your child's effort and progress up to the end of the spring term; they have not been able to report on your child's attainment as the full programme of study for the year was not completed due to Lockdown. Please take some time to read the report with your child, we would be grateful if you could return the parent comment sheet. It has certainly been a very unusual year, one we could never have predicted, however I am very proud of the SSPP community and how everyone has coped. As the children gradually return we will have members of staff available to talk to them about their lockdown experiences and any impact it may have had emotionally. We will introduce a survey during the first week back to get some idea of how the children have been affected. If you have any concerns or questions, please do not hesitate to contact me on: head.sspeterandpauls@redbridge.gov.uk

I will continue to pray for you and all your families and look forward to seeing some of you over the next few weeks.

God Bless,

Mrs Johnson
Headteacher

GOSPEL REFLECTION

Last Sunday we celebrated Pentecost, we heard how Jesus sent the Holy Spirit to be with the disciples, to help them be brave enough to share God's message with others. You may find it helpful to think about what the Holy Spirit does in our lives today, helping us to be brave at this difficult time.

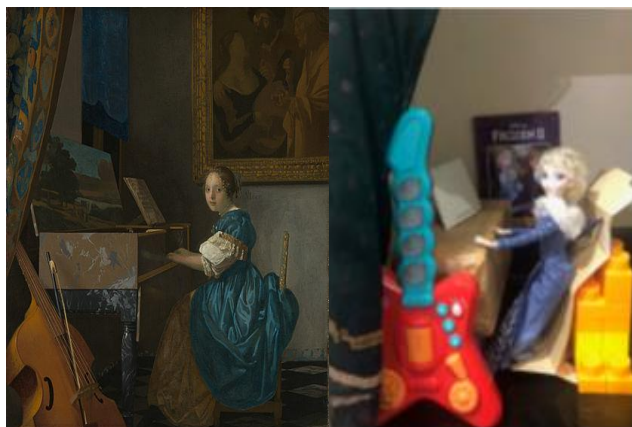

Dear Lord, we pray that your Spirit might inspire us to keep strong in faith, hope and love. Grant us the courage and perseverance to be good neighbours.
Amen.

ART COMPETITION

Mrs Perry highlighted a competition to Y2 last week where the Getty Museum have been encouraging people to recreate famous works of art at home and sending in a photo. I am delighted to announce the joint winners of this competition are Angelique and Alan. They certainly used their imaginations to recreate the wonderful artful and spend time and effort perfecting their work! I think we have some budding artists in Y2, well done to both of them.

The link is below for you to enjoy the wonderful creations!
